

## NOTICE TO THE PROFESSION

### Consent Resolution Conference pilot project discontinued

Rule 29 of the Rules of Practice and Procedure – Hearing Division set out the process for the Consent Resolution Conference. After four years, during which time the rule was rarely used, the pilot project was discontinued in February 2016. Rule 29 and other related rules have been revoked.

Through proceeding management conferences and pre-hearing conferences, the Tribunal continues to actively case manage and promote early resolution of issues between the parties.
